

## Guide til OS2web - Borger.dk Menu import

Denne guide er skrevet til brugere, der skal konfigurere og bruge OS2web - Borger.dk menu import.

- Konfiguration  
Når OS2web - Borger.dk er installeret, skal man konfigurere modulet.

Gå til `admin/config/os2web_borger_dk/settings`

The screenshot shows the 'OS2web Borger.dk Settings' page. On the left is a sidebar with links: 'Toggle display', 'Editable article fields', 'Daily article synchronization', 'Borger.dk Webservice settings', 'Borger.dk Title search', 'Borger.dk Menu import', 'Microarticles visibility and editability', and 'Municipality import option'. The main content area has a checkbox 'Import and utilize Borger.dk-menus' which is checked. Below it is a text field 'Menu name for imported Borger.dk-menu' with the value 'Borger.dk menu'. A red box highlights the 'DESCRIPTION FOR IMPORTING BORGER.DK MENU STRUCTURE' section, which contains instructions for creating a 'menu\_page' content type and the three-step import process. Another red box highlights the 'Select Borger.dk menu Parent Item' dropdown, which is set to 'Navigation'. Below this is a red box with the text 'REMEMBER to save before you start import Menu.' and three buttons: 'Import Borger.dk-menu now', 'Import Borger.dk articles', and 'Create Borger.dk menu structure now'. Blue arrows point from these buttons to labels: 'Trin 1: Importer Borger.dk menu.', 'Trin 2: Importer Borger.dk artikler', and 'Trin 3: opbygning af Borger.dk menu struktur. Link importerede menu til artikler.' Red text annotations provide additional instructions: 'Husk at oprette en ny indholdstype der hedder 'menu\_page'(maskinnavn). Den bruges til at oprette menu side.' and 'Man kan vælge en 'Parent' Menu for Borger.dk menu. Husk at gem det før at importere Borger.dk-menu.'

Når indholdstype 'Menu page'(menu\_page) er oprettet, kan man vælge en 'Parent' menu for Borger.dk menu. Se billede ovenstående. Husk at gem det før at importere menu.
